CAUTION.—We beg leave to caution purchasers of our choice OLD MONONGAHELA

WHISKIES against the deception and petty fraud which is practiced by certain parties in this city and in Baltimore, who have appropriated to themselves exact copies of the Star Brands, long used and designed by us to distinguish our Old Whiskeys. We can assure our friends and customers, that the unrivalled quality, everywhere acknowledged, of our choice OLD WHISKIES cannot be equalled

by these ingenious invaders of our rights.

Our new establishment, Gibsoxton Mills, on the Monongahela River, gives us unequalled facili-ties for making Whiskey of the choicest kind, from

malted and kiln-dried grain.
Purchasers of our Old Whiskies will please to notice, the words GIBSONTON MILLS and JOHN GIBson, Sons & Co., are inserted in the new Brands which we now adopt: and we deem it a duty to our customers and ourselves, to give notice, that we will prosecute and expose any person or persons who may hereafter copy or use our Brands.

RATS.

Some things we may dispute about, But there's one truth above all doubt,

And that's The ire-provoking fact, that here, We have a full and direful share Of Rats.
Talk of showers of frogs and lice, That fell on Egypt once or twice, Her hills and flats! Sharp plagues indeed, and so declared,

But merely trifles when compared With Rats. I've seen all manner of insect evil; Chinch-bug and fly, and fleas and weevil, And gnats; But, hang me, if I ever yet,

Saw any thing to make one fret
Like Rats!
Scratching, gnawing, pulling, stealing;
Jumping, thumping, fighting, squealing,
Tom Cats,
Don't more annoy us when they squall,
By moonlight on the church-yard wall,

Than Rats.
In cream pots, butter-tubs and jars, They hold carousals, feasts and wars;

And hats, And gloves, and books, and hanks of thread, They drag away to make their bed— The Rats. I've tried all sorts of snares and traps, And poisonous drugs in artful shapes, And secret vats;

But crafty Reynard, shrewd and shy, Is not more cunning, sharp and shy, Than Rats!
Deuce take the things, they're every where,
Running a villainous career, Scorning Cats.
O! for a host of red-eyed frerets,

That I might see them show their marits,

On Rats! Virginia, March, 1859. OLD FOGY. THE PRINCE OF WALES ATTHE VATICAN. Rome, Feb. 8 .- Your readers will doubtless be interested in having the earliest intelligence of the Prince of Wales's reception at the Vatican, a visit from a prince of the blood royal of England, to the Pope not having taken place for some centuries, with the exception of the exiled family of the Stuarts, who made Rome their residence on the accession of William III, to the throne of Great Britain. The express desire of her Majesty having been distinctly made known that everything connected with the formality should be conducted in as private a manner as possible, the Prince of Wales went yesterday morning to the palace, accompanied by Colonel Bruce, Mr. Odo Russell, and the members of his suite, to pay his respects to the Pope, into whose presence he was conducted by the Commendatore Datti, merely preceded by two Swiss guards. His Holiness rose on the entry of the Prince, and coming forward to

the door of the apartment to meet him, con-

ducted him in the most affable manner possi-

ble to a seat, and entered into conversation

with him in French with that benignity of

address, which makes so strong an impres-

sion upon all who are presented to Pio Nono.

Colonel Bruce was the only other person pre-

sent at the interview, which was brief, and again to the door with the manner, which he had testified on receiving MACGREGOR'S VENTILATING STOVES HAVE on hand the most complete assortment of COOK and PARLOR STOVES that has ever been offered in this city.
